Tennis England is pleased to announce we are continuing our specialist tennis coaching at Cleves School next term.

The training aims to improve skills so that pupils are at the right level to play in a team in the Surrey League. Pupils play in teams of four players and may be invited to train and compete at our high performance tennis centre in Weybridge.

Tennis England is expert in teaching children tennis and believes that playing in a tennis team provides a child with life skills such as independence, self-discipline, courage, determination and social skills.
