Dear Parent,

Would you like your child to learn to speak French or Spanish?

Le Club Français and **El Club Español** are a national organisation dedicated to language tuition for children. We have over 4000 groups running in schools and halls throughout the country. This enables us to deliver tried and tested sessions with top quality teaching aids. By starting French or Spanish at an early age, children gain confidence in expressing themselves and develop an ear for languages, which is very difficult later in life. The clubs provide a chance for your child to learn about the culture of France and Spain as well as how to converse confidently and with a good accent while having fun at the same time.
