

Seiki Juku Karate Do

www.bu-sen.co.uk

Dear Students,

My name is Sensei Chris Brown and I've been teaching Karate in schools for the many years as well as sports centres and dojo's throughout Surrey.

Classical karate is at first a means of combat, a means of which the exponent defends themselves or their family. However a process of repetitive training also cultivates a morally correct state of mind. The true understanding of karate-do may only be understood after one engages in sufficiently rigorous training.

Our name, Seiki Juku, means "True Spirit"

Students who join the club may just attend and enjoy the benefits of karate training as well as having the opportunity to train through to black belt. If you wish to grade through the belt system then you will need a licence which is £34 per year. They will also need a karate suit which you can buy through myself (I would recommend that you give it a few weeks before you purchase a suit).
