

# Cooking Club

## CLEVES SCHOOL

### LEARN TO COOK WITH US

**YR4 - YR6 | 3.20PM - 4.30PM | MONS - THURS (AUTUMN 2023)**

Totally Tangerine Cookery is looking forward to running the cooking club for YR4 - YR6 children on Mondays through to Thursdays at Cleves. Available on a first come first serve basis, maximum of 14 children per class and a minimum of 10 children to go ahead.

#### What we do

We are passionate about good food, teaching children how to cook from scratch and trying (and tasting) new ingredients! The club is not just about following a recipe but giving children the independence and confidence they need to be able to cook for themselves. Who knows...it may pave the way for the next generation of chefs!

#### What happens in the cooking club

'Hands on' sessions, with lots of opportunities to experiment with different methods, kitchen utensils and ingredients! We cook both sweet and savoury dishes, and learn about the world through food. All ingredients, utensils, an apron and cooking know-how is provided, and a recipe sheet. All you need to provide is a large plastic tub for your child to take their dish home in.

#### How to book

To book a place, please go to our website <https://www.totallytangerinecookery.co.uk/book-a-class/>

#### Details and Cost:

Days: Mondays, Tuesdays, Wednesdays and Thursdays
