

Cleves School Self Evaluation Survey 2022 – Parents

Dear parents,

Every year we like to survey staff, parents and pupils to gauge our provision and your satisfaction with Cleves. The outcomes of these surveys are very important to us and direct our school improvement work over the coming years. Our Trustees study and discuss the results and use the feedback to inform decisions and direct funding. If you could therefore take a moment to complete our survey I would greatly appreciate it. You can either return a paper copy or e mail your feedback and comments to Chodges@cleves.co.uk

Thank you for your time and support.
