

Dear Parent/Carer,

Theatre Works are proud to host drama classes at Cleves School. During the term we will cover exciting topics in our drama sessions. The variety in our classes keeps children focused, enthused and after their stimulating classes they are alert and stretched mentally and physically. For the budding performers we can help them in all aspects of performance work and for other children we aim to increase confidence levels which will show in their school and social life. Most of all at Theatre Works we have fun through creative learning.

The autumn term is our skills term, where we will be working on acting, musical theatre, scripted material and presenting. Plus other areas of performing arts. (Our show term is the spring term and for more information about our sessions please look at our website www.theatreworks.biz).
