

Cooking Club

AT CLEVES

LEARN TO COOK WITH US

YR4 - YR6 | 3.20PM - 4.30PM | 12TH SEPTEMBER - 12 DECEMBER

Due to popular demand, Totally Tangerine Cookery will run 3 days of cooking club per week; Mondays, Tuesdays and Thursdays. Available on a first come first serve basis, maximum 12 children per class and a minimum of 10 for the club to go ahead.

What we do

We are passionate about good food, teaching children how to cook from scratch and trying new ingredients. This life skill is not just about cooking but giving children the independence and confidence they need to cook for themselves. Who knows...it may pave the way for the next generation of chefs!

How it works in the cooking club

The classes will be 'hands on', with lots of opportunities to experiment with different preparation methods and ingredients! We cook both sweet and savoury dishes in the club. All ingredients, cooking equipment, an apron and cooking know-how is provided, and a recipe sheet. All you'll need to provide is a large plastic container for your child to take their dish home in.

How to book

To book a place, please register via this link and complete all the fields - <https://www.totallytangerinecookery.co.uk/events/>
