

Cooking Club

CLEVES SCHOOL

LEARN TO COOK WITH US

YR4 - YR6 | 3.20 - 4.30PM | WEDNESDAYS, 2 NOV - 7 DEC

Due to popular demand, Totally Tangerine Cookery is running another cooking club for the children at Cleves on Wednesdays. Available on a first come first serve basis, maximum 12 children per class and a minimum of 9 children for the club to go ahead.

What do the kids learn

We are passionate about good food, teaching children how to cook from scratch and trying (and tasting) new ingredients! The club is not just about following a recipe but giving children the independence and confidence they need to be able to cook for themselves. Who knows...it may pave the way for the next generation of chefs!

What happens in the cooking club

'Hands on' sessions, with lots of opportunities to experiment with different methods and ingredients! We cook both sweet and savoury dishes, we slice, chop, knead, mix and so much more. All ingredients, utensils, an apron and cooking know-how is provided, and a recipe sheet. They may work in pairs or own their own. All you'll need to provide is a large plastic tub for your child.

How to book

To book a place, please visit this link
