Dear Parent/Guardian,

**RE: YEAR 6 OUTDOOR LEARNING DAY**

Year 6 will be completing this term's outdoor learning sessions on **Friday 21st October**.

The children will need to come to school dressed in their outdoor learning clothes. We suggest comfortable trousers such as jogging bottoms or jeans. These clothes may get dirty so old clothes would be best. Please could they also bring a separate pair of outdoor shoes (if it looks like it might be wet), such as trainers, walking boots or wellies in a **named carrier bag**. With the British weather as it is, it would be worthwhile packing a rain mac/warm coat, or suncream and sunhat too! Only pouring rain will stop us!

If you have a clipboard that you are able to bring in, please also include that, as this will be very useful.

Many thanks,

Year 6 Team
