9th October 2023

Dear Parent/Carer

Victorian Immersion Day: Friday 20th October 2023 - 6T- 6C- 6A

As you are probably aware, Year 6 are learning about the Victorian Era this term. As part of our immersion day, the children will be in role as Victorian school children. They will undertake several activities which will give them an appreciation of what it was like to live during this period of history.

One of these activities will be to make and cook Jam Tarts

The list of ingredients being used are as follows:

Unsalted Butter

Self Raising Flour

Seedless Strawberry Jam

If your child has an allergy to any of these ingredients, please can you inform their class teacher as soon as possible and provide your child with a suitable substitute.

Can you please also provide a small/medium sized container for your child to transport their jam tarts home.

A reminder that we are asking children to come in dressed as a Victorian schoolchild/servant on their day. It is not necessary to wear an elaborate costume: simple shorts, skirts, shirts are perfectly acceptable.

Thank you,

Best regards

The Year 6 Team
